Year 6 News

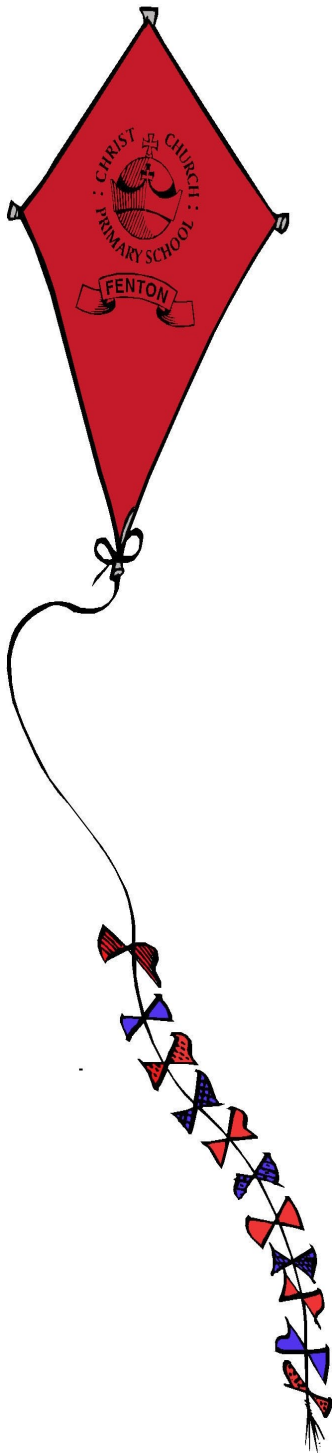

Harry Potter Celebration Day, Thursday 4th February 2016

As Year 6 approach the end of their topic studying Harry Potter they are holding a Harry Potter celebration day.

The day will be full of activities linked to the Wizarding World.

Children will be welcome to dress up as their favourite character but don't go to a great expense. If you need further information please speak to Mrs Finney.

Parking

A number of parents have come into school to express their concerns at the parking situation on William Street and the danger it is posing to our children. Cars should not be parked at any time on the double yellow lines. We do not want to see any of our children hurt so can I ask that all parents refrain from parking on the double yellow lines. Cars can be parked on the community centre car park at the beginning and end of each day. Please help us to keep all children at Christ Church CE Primary School safe.

Paper Recycling

A quick reminder that we do have a paper recycling bank in school. This was emptied last week and is available for all members of the school community to use.

Gritting Policy

We have been very fortunate with the weather but since our return to school the temperature has dropped and icy conditions/snow have been forecast. This is a reminder of our gritting policy. The school entrances will be gritted as well as a pathway leading from each gate to the school entrances and one path from the school gates to the children's entrances. Please ensure that the footpaths are used to travel between the school entrances and the classrooms.

A decision will be made daily as to whether our playgrounds are suitable for use by the children. It may be necessary to have indoor playtimes and dinnertimes if we feel that there is a risk to the children's safety or not use our Foundation Stage Play area. If you would like to see the full gritting policy please ask at the school reception for a copy.
