

Christ Church CofE Primary Academy

Respect: Endurance: Friendship

Collective Worship Policy 2022/2023

As a Christian Community, collective worship at Christ Church C E Primary Academy plays an important part in the life of our academy. It offers the whole school community opportunities to experience and reflect on the work, worth and worship of our school. This is set within the context of the corporate community of our school which values the uniqueness of the individual, the rights and responsibilities of all children, in accordance with UNCRC, the principle of forgiveness and affirms every individual's unique contribution, regardless of age, gender, ability, background or religion.

Our school motto summarises our purpose:

“Learning with God and Each Other to Be the Best We Can Be”

Our whole school Christian vision statement:

We are one Christ-like family seeking to achieve our school aims and allow all to flourish by demonstrating the same endurance, friendship and respect as the Good Samaritan did.

Realise our goals

Enjoy each day

Support and encourage each other

Praise and Worship

Everyone Matters

Communities working together

Treat others as you would want to be treated

Our whole school Christian values, chosen by the pupils, are **Respect, Endurance** and **Friendship**.

The following bible stories are used to help our children understand these values.

- **Respect:** The Good Samaritan – Luke 10 v25-37
- **Endurance:** Noah's Ark – Genesis 6-9
- **Friendship:** Zacchaeus the Tax Collector – Luke 19 v1-10

LEGAL REQUIREMENTS

Trust Deed

Our daily act of collective worship is in accordance with the Trust Deed of the school/academy. This requires worship to be consistent with the faith, principles and practices of the Church of England.

DfES guidance

We also take into account DfES legislation. The following link will take you to the current legislation. <https://www.gov.uk/government/publications/collective-worship-in-schools>

Learning with God and Each Other to be the Best We Can Be

1988 Education Act

We also take into account the 1988 Education Act that states,

*'.....all pupils in attendance at a maintained school **shall in each school day** take part in an act of collective worship',*

And, that this should be,

'.....mainly of a broadly Christian character'

Section 48 Statutory Inspection of Anglican & Methodist Schools (SIAMS)

All church schools, whether they are Voluntary Aided (VA), Voluntary Controlled (VC) or Foundation (F) will be inspected on collective worship and the impact this has on the whole school community (Strand 6 of the SIAMS 2018 schedule). The core question of this strand is, **the ways in which collective worship is an expression of the school's Christian vision.** Here at Christ Church CE Primary Academy, this inspection will evaluate the academy's collective worship on whether it:

- is inclusive, invitational and inspiring
- offers the opportunity, without compulsion, to all pupils and adults to grow spiritually through experiences of prayer, stillness, worship and reflection
- enables all pupils and adults to appreciate that Christians worship in different ways, for example using music, silence, story, prayer, reflection, the varied liturgical and other traditions of Anglican/Methodist worship, festivals and, where appropriate, the Eucharist.
- helps pupils and adults to appreciate the relevance of faith in today's world, to encounter the teachings of Jesus and the Bible and to develop their understanding of the Christian belief in the Trinitarian nature of God and its language.
- enables pupils as well as adults to engage in the planning, leading and evaluation of collective worship in ways that lead to improving practice. Leaders of worship, including clergy, have access to regular training.
- encourages local church community partnerships to support the school effectively in developing its provision for collective worship.

The right of withdrawal – see appendix

We recognise the right of withdrawal from worship for pupils at the request of parents and for staff, but encourage discussion with the relevant individuals to ensure that there is understanding of the aims and objectives of worship, and strategies for minimising the disruption caused by any withdrawals

Aims of worship

The gathering of pupils each day incorporates collective worship. Worship will be:

- Appropriate to the age, aptitude and family background of pupils.
- Provided in a variety of settings, groupings and timings, with a variety of leaders – see current practice

MANAGEMENT OF COLLECTIVE WORSHIP

In conjunction with the Principal, Local Academy Committee, staff and the school community, the worship policy created articulates the management and delivery of this area of the curriculum. Worship Ambassadors discuss the policy with the Principal and the Vicars of Christ Church. In addition all teachers in our academy are ‘spiritual leaders’ and have a responsibility to help pupils develop spiritual awareness. Parents are also kept informed through regular newsletters and our web site.

The worship leader, supported by the Vicars of Christ Church, has responsibility for leading this area of the curriculum on a day to day basis, ensuring all legal requirements are complied with. This involves the production of a coherent programme for Collective Worship, which has continuity of Christian teaching and experience, and such breadth and balance as is appropriate to the school community.

Resourcing worship

The worship leader is responsible for ordering and managing resources and ensuring their availability. Such resources are located either in the locked cupboard, the head’s office or via the internet. Worship should be adequately resourced to ensure that it is regarded as an important part of school life. Pupils are encouraged and provided with opportunities to support the delivery and contribute to whole school, year group acts of worship both in our academy and at Christ Church.

Monitoring, evaluating & action planning worship

Worship is monitored and evaluated frequently in order to ensure that it meets the needs of all who take part. All stakeholders opinions are sought including pupils, teachers, LAC members & parents. Worship is part of our annual academy development plan to ensure that worship remains relevant and up to date.

Worship themes and current practice

The worship themes for each week are based around a number of different resources:

- Margaret Cooling Assemblies for Primary School books
- assemblies.org.uk

- themes based upon our academy Christian values

Visitors and outside speakers are invited into school to lead worship.

A Eucharist is held at appropriate times during each term, with our year 6 pupils actively leading/participating in a Eucharist in the summer term, following whole class teaching and learning of this particular aspect of Anglican worship.

WORSHIP AMBASSADORS

Guidance for schools and academies on the right to withdrawal from Religious Education and Collective Worship March 2017

Collective Worship

The **1944 Education Act** gave the right to withdraw from RE or collective worship to parents who wished their children to receive different form of RE or worship. This right is also confirmed in section 71 of the **School Standards and Framework Act 1998**. In the case of collective worship, the government guidance document is **Circular 1/94: Religious Education and Collective Worship**.

Collective worship in all Church of England schools and academies should honour the school's trust deed and Christian foundations. Worship is central to school life, offering an opportunity for the whole school community to explore the distinctive beliefs and narrative that underpins the school's Anglican foundations and distinctive Christian character. Worship is the responsibility of the governing body in conjunction with the headteacher, working in partnership with the staff and the local parish church.

Our Church of England schools should strive to ensure they are consistently excellent, distinctive, and inclusive, and that the whole curriculum is underpinned by Christian values. Religious Education is an important part of the curriculum in all Church of England schools and academies. Its nature, objectives, and content should be shared with parents each term to ensure that parents are able to recognise that RE is of educational value to all pupils, whatever their belief background. In the same way, collective worship should lie at the heart of school life, proclaiming its distinctive character and faith in a way that is relevant, inclusive and that leads each pupil a little further in their spiritual journey. In this way, the likelihood for parental requests for withdrawal should be reduced. However, when they are made they must be handled accordingly to the legal guidance, while there is scope for a little realism and adaptability in order to ensure the best for every pupil.

In many of our schools within the Diocese of Lichfield, there is a large percentage of children whose families are members of another faith. It is the purpose and duty of every church school to be distinctive as a Church of England school. In each school, it is part of the mission of the church to welcome those of other faiths and no faith. In most cases, parents will have chosen the school for their child, making a specific choice of the school because of the ethos and education it offers. In a small number of cases, parents of other faiths will have been offered a place at a church school because no other school has a place for their child within a reasonable catchment area.

The right to withdraw from collective worship should be at the instigation of the parents or pupils above the age of 16.

The right of withdrawal from collective worship

The right of withdrawal from collective worship would normally be exercised through the physical withdrawal of the pupil from the place where the act of worship is taking place. Indeed the school could insist that this is the way the right is to be implemented. If, however, both the parent and the school agree that the pupil should be allowed to remain physically present during the collective worship but not take part in it, nothing in the law prevents this.

Experience suggests that, to avoid misunderstanding, a Headteacher / Principal will find it helpful to establish with any parent wanting to exercise the right to withdrawal:

- the elements of worship in which the parent would object to the child taking part;
- the practical implications of withdrawal; and
- whether the parent will require any advanced notice of such worship, and, if so, how much.

Where parents have withdrawn their children from collective worship and request religious worship according to a particular faith or denomination, the governors and Headteacher / Principal will seek to respond positively to such requests providing:

- such arrangements can be made at no additional cost to the school; and
- that the alternative provision would be consistent with the overall purposes of the school curriculum as set out in **Section 1 of the 1988 Education Act. (Circular 1/94)**
